KT400U

Choose the Key Tronic KT400U keyboard and you'll get a great keyboard at a great price.

The KT400U keyboard features all the standard Windows application keys but in a compact size. The small footprint - 17 inches by 5.5 inches will free up your desk space for other peripherals. The KT400U keyboard meets the European Union RoHS initiative.

The KT400 is the perfect low cost keyboard, yet built to Key Tronic's top quality standards.

MODEL # KT400U1 (Beige)
 MODEL # KT400U2 (Black)
